

APPENDIX 3: SUMMARY CONSULTATION FEEDBACK- NGBs, SCHOOLS, CLUBS, NEIGHBOURING LOCAL AUTHORITIES

National Governing Bodies of Sport (NGB's) have been consulted regarding facility requirements. These comments are contained in the table below. Many NGB's are currently planning, with Sport England, new priorities for the next funding cycle 2017 – 2021. Sport England and many NGB's will hope that Rio 2016 inspired people enough to consider playing sport as a way of engaging in physical activity.

SPORTS CLUB SURVEY RESULTS ANALYSIS

INTRODUCTION

To gain an understanding of the facility provision and sufficiency for non - pitch sports, a survey was undertaken across all sports organisations in Elmbridge. The objective of the survey was to gain further information on the quality of indoor and outdoor facility provision and whether this satisfies the demands of the individual organisations.

EXEC SUMMARY

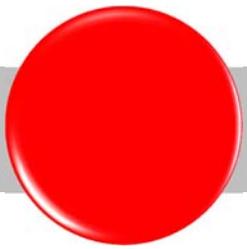

- Eighteen different sports took part in the survey providing an insight into a broad range of activities across the Borough.
- Sixteen different venues were also discussed, clubs generally have a positive opinion on the facilities in the borough with an average score of 7/10 for facility quality.
- Club members have increased over the last five years and will continue to do so. Clubs have the capacity to take on more members as the facilities generally do not restrict the numbers of participants.
- Clubs would like to see facilities improved, bespoke facilities built and greater access to current facilities. These are restricted by other clubs using the facilities.

REVIEW OF SELECTED RESPONSES (TOP 3)

- 7 (out of 15) clubs have over 80 active playing members
- 55% of clubs have over 5 paid coaches
- There are high volunteer rates within the clubs
- Club figures are increasing
- The relationship between clubs and facility owners/managers is really positive (average 7 out of 10)
- Clubs aims are generally to increase performance, increase members, obtain more training time and facility improvements

MOLE VALLEY BC	<p>Mole Valley Borough Council did not identify any proposals for new provision/issues likely to impact on Elmbridge.</p>
RUNNYMEDE BC	<p>Runnymede Council does not have an up to date Facilities Strategy.</p> <p>Egham Leisure Centre is due to be replaced and work has recently started on site. It is due to open in early 2019 and will include an 8 lane 25m swimming pool, 4 court sports hall, spa, gym and class space, the total cost is circa £19m.</p> <p>In Addlestone a new gym is opening operated by our provider Achieve Lifestyle, this is part of the town centre redevelopment and will be fully funded by the trust.</p> <p>We are undertaking a playing pitch strategy and out of this there may well be recommendations around our parks provision as we know there is a demand for junior football and some of our changing rooms etc may well need refurbishing.</p> <p>The new Chertsey Secondary School is due to have a new 3G pitch installed and this will be shared with Abbey Rangers Football Club. I'm not sure on the timescales presently as the school has only just this year taken its first year 7 students.</p> <p>St Georges College has had plans to refurbish/renew its sports facilities, this is still pending but is likely to happen in the medium term.</p> <p>There is at least one other project with a local football club to develop a new home pitch, but this will be a few years off and they are not bordering Elmbridge. Royal Holloway University has in the last three years put in new artificial pitches both 3G and sand dressed, in the future they have plans to improve their sports hall etc, but no precise details are available at the moment and again this campus does not border Elmbridge.</p>

SPELTHORNE BC	<p>Spelthorne BC does not currently have a sports facility strategy however we have recently updated our leisure needs analysis.</p> <p>Spelthorne Council is planning to build a new leisure centre to replace the existing Spelthorne Leisure Centre by 2021. The facility mix at the new centre has not yet been finalised. It is possible that a refurbishment of the Sunbury Leisure Centre may also take place towards the end of the current operating contract which is March 2021.</p> <p>One of the local sports club has appointed a consultant to draw up a masterplan for their site however as yet we are unaware of exactly what they are looking to do. It is not however near the border with Elmbridge.</p>
WOKING BC	Woking Borough Council did not identify any proposals for new provision/issues likely to impact on Elmbridge.
